

**Chris Sally** is the founder of Iconic Development and specializes in historic renovation and new construction within the River Market urban neighborhood of Kansas City.

Design and sustainability are cornerstones for each of his projects. Iconic Development and partners have developed over 35 million dollars of projects within the Urban Core of Kansas City. Including 5 Delaware Lofts, First and Main Lofts, Gallo Office Building, 414 Oak Office, Nature's Own Grocery, and The Water Building. He is now undertaking saving the oldest building in the downtown loop, Seiden's Furs.

Chris started his career during Mayor Kay Barnes Administration as the former Downtown Development Director for the Economic Development Corporation of Kansas City.
